

## Men's Weekly Golf Report –

Saturday - 27<sup>th</sup> Jan

### **PERREY BLITZES FIELD IN 9 HOLE COMP**

The forecast of extreme heat for last Saturday caused the club to enforce the hot weather policy as well as reducing the stableford comp to just 9 holes.

A small field of 22 players faced the starter with local accounting whiz Mike Perrey revelling in the heat to easily win with 23 points on the difficult front nine. Showing exactly what he is capable of when managing to keep out of the trees Perrey's short game was also hot hot hot leading to a superb half round of golf. To show it was no fluke he played on scoring a further 21 points on the back nine costing himself two shots off his handicap after submitting his card as a social conforming round. Now THAT is an honest golfer if ever there was one!

Super fit 70 something year old Malcolm Blight is far from a fair weather golfer as he often fronts up when the weather is less than enjoyable. He was runner up with a very handy 19 points tipping out Sapsy on a countback.

Graeme Southern, Stephen Cocks and Andrew Meddle all scored solid 17 point nines to each claim a prize on the day.

Rob Walters won NTP on the 2nd, Dean Wright got very close on the 4th and topped it off with a birdie and Josh Laube was closest on the tough 6th.

Mike Perrey won the Pro comp for his 11 points on holes 2,4,6 and 8.

The weather looks perfect for a much awaited Stroke round scheduled for this Saturday and the course should be in peak condition after some soaking showers earlier this week.
