

MURRAY BRIDGE MENS GOLF
SAT 10TH FEB

Temperatures in the high 30's once again put our golfers to the test on Saturday, however with 12 players out of a field of 68 playing above their handicap, and many more playing to their handicap, it seems evident that some players are finally getting accustomed to the heat. One wonders what scores can be achieved when summer comes !!

The daily winner of the ITRAVEL & CRUISE Stableford competition was Shaun Williams who scored a magnificent 44points – 3 points clear of his nearest rival on 41 points.

A Grade winner was the ever consistent Gary Hodge who carded 39 points ahead of Randall Cocks on a count back, also on 39points. The mind boggles if Randall took that quietly....?

B Grade was headed by the big man himself in Wally Heyer who carded 39 points ahead of runner-up 'Crash' McLaren on 36 points.

In C Grade we saw George 'the Gentle Giant' Langsford's 41 points push Garry Pearson's 40pts to runner-up position.

Others to do well above their handicap were Gavin Thoman, Tony Carter and Fred Carter all on 38 pts, with the following carding 37 points namely, Dean Wright, Bryan Squires and Snow Rothe.

Nearest the pins went to Rob Walters on 2nd, Crash McLaren on 4th, Tony carter on 6th, Stephen Cocks on 11th, Tony carter 14th and Wally Heyer 17th.

The Pro Comp was won by Shaun Williams who bolted home with a magnificent 24 points on the back nine.
