

Murray Bridge Golf Club Women's Report

Date: Tuesday 13th March 2018

Opening Day for the Winter Season was held on Tuesday 13th March.

This was played as a "bring a friend" 3 or 4 person Ambrose event and it was great to see so many new faces. Our Captain Liz Llewellyn succumbed to nerves and hit the first ball of the season into the trees. Not so good for Liz but a good way to take the pressure from everyone else and reinforce the light-heartedness of the day.

We welcomed players from Mannum and Glenelg Golf Clubs, and a few potential new golfers who all agreed that it was a good fun day. The day concluded with a shared lunch provided by our members and this was provided a wonderful way to get to know each other. The winning group with a nett score of 60 and 7/8th comprised our own Hazel Thomas and Maureen Johnson accompanied by Meredith Noble (Glenelg) and Mary Underwood (Mannum).

The Runners Up were the group of Deb Christie and Bev Magor both from Murray Bridge and Anne Hunter from Oakbank. They had a nett score of 64.5 Stableford points.

We were also very lucky to have our club champion Armarni Masters playing as she had a pupil free day from school. She was part of the third placed team with Ady Wright, Barb Smyth and her visitor Mary Grocke. They had a nett score of 65 points.

Saturday 10th March was a Stableford round for the women. All the women played early to avoid the heat and the conditions were ideal.

Maureen Edwards was the Overall Winner of the day with a score of 34 points.

Mary Langsford was the first of the Open Placegetters scoring 30 points followed by Cathy Thomas on 29 points.
