

Murray Bridge Golf Club Women's Report

Date: Tuesday 20th March 2018

Bev Magor was very pleased with the improvement in her game on Tuesday 20th March. She was easily the winner of the day for the Par Competition with a score of minus 1.

Ady Wright was the Runner Up on a count back from both Lyn Pitcher and Maureen Edwards. All three women scored minus 5.

Kathy Pfeiffer and Heather Fromm were both pleased with the way their new buggies performed especially considering the fairways were slightly heavier than usual with the cooler weather.

We wished Liz Llewellyn a very happy birthday for March 21st and she was much happier with her opening drive this week. Liz who is our Captain wished she had driven that well for the Opening Day First Drive last week.

Heather Fromm played exceptionally well on Saturday 17th March in the Better Health Stroke Competition. She was the Overall Winner with a score of 94/73.

Maureen Edwards was the first of the Open Placegetters scoring 101/74 followed closely by Mary Langsford on 97/75.
