

## Murray Bridge Golf Club Women's Report

Date: Tuesday 18<sup>th</sup> September 2018

Only three intrepid golfers braved the sever winds and gusty showers to complete the 18 holes of golf in the Amcal Pharmacy Par Round on Saturday 15<sup>th</sup> September. Those women who pulled out thought they were a little silly to even try.

However, Dianne Wickes was the Winner of the Day with a score of minus 2. Dianne's improved longer fairway shots certainly helped her score.

Maureen Johnson was the Runner Up with a score of minus 4 beating Sue Antel on a count back as she also scored minus 4.

Tuesday's September 18<sup>th</sup> Amcal Pharmacy Par Round was played in much better weather conditions although the wind was a little trying.

Maureen Johnson again showed her brilliance to win the day with a square round. Every other golfer hopes to be playing that well when they reach Maureen's age.

Dianne Wickes was Runner Up with a total score of minus 1 after a huge improvement on the back nine where she scored plus 4.

Ellen Paech is returning to her consistent play also with a score of minus 1, beaten by Dianne Wickes on a count back.

Maureen Edwards played a consistent game with her fairway shots and was also beaten on a countback as she too scored minus 1.

Heather Fromm was the final Placegetter with a score of minus 2.

Sue Antel won a Davery voucher with her Nearest the Pin on the 11<sup>th</sup> hole.
