

Murray Bridge Golf Club Women's Report

Date: Tuesday 25th September 2018

On Tuesday 25th September the women held a fun, Ambrose event played in threes. This was followed by a "shared lunch" and the Annual General Meeting for the Women's group. Everyone warmly welcomed new member Sharon Secker and aspiring new member Carolyn Vandeleur who thoroughly enjoyed playing in their first 18 hole competition with the group today. Lots of laughs were the order of the day as each shot in an Ambrose is hit from the best ball from the group. Hence no pressure on anyone. Both women are having weekly lessons with other participants on both Tuesdays and Fridays with our Pro Steve Wilson. These lessons cost \$10 each and are open to anyone keen to learn the game

There was a good field for the Ambrose and the day was won by the group of Deanna Prosser, Lyn Pitcher and Robyn Teasdale. Each player received a pack of 3 balls kindly donated by our Pro Steve Wilson.

Barb Smyth, Maureen Edwards and Heather Fromm made up the team who came second and they each received a \$5 voucher.

The final group mentioned was Kathy Pfeiffer, Sue Antel and Maureen Johnson.

Nearest The Pin was won by Kathy Pfeiffer on the 4th hole.

Saturday the 22nd September was an Amcal Pharmacy Stableford Competition. Ellen Paech was the winner with a score of 33 points and she was closely followed by Sue Antel on 32 points. Maureen Johnson again got a mention in the winners list with a score of 31 points.
