MCGLASHAN SPOILS PEACOCK FAIRYTALE FINALE

What looked like being a fairy-tale final round for retiring club member Ron Peacock turned into a close defeat when party pooper Shaun McGlashan nailed the veteran golfer on a countback late in the day in last Saturday's DJ AUTO REPAIRS Stableford comp. 80 something year old Peacock is moving to WA to be closer to family and he is retiring permanently from golf. His 40 point round was a great way to finish his career and, but for one other player, would have gone out a winner and with a sizeable pay cheque too. It was not to be, however, but the club wishes Ron well in his future western pursuits. He has been a thorough gentleman of the club and will be missed.

For his part Shaun McGlashan played darned well to amass 40 points and he takes all the honours on the day. It was AFL grand final day which kept a lot of players away from the course and so the 59 competitors merged into an open grade event. Dean Woolford was 3rd best with his 39 points on the glorious day for golf. The "Keg on Legs" Gav Sanderson had a day out rattling up 38 points to be next best followed by Tom Haig, "Spray" Lubcke and John Blackett (McCracken GC) who each scored 37 points. Big Joe Marcus and Troy Penhall enjoyed 36 point rounds while Graeme Munt, Craig Pitcher, Jeff Tubbenhauer, Graeme Southern and Shaun Williams all had solid 35 point rounds.

Andrew Meddle won the Yabbie as well as a couple of NTP's while Tom Haig cleaned up the Pro comp with his great back nine. It is time for a Stroke round this Saturday so see you all there.
