

Men's Weekly Golf Report –

Saturday - 20th Oct

MARCUS MAKES MERRY

Solidly built former "A" grade golfer Joe Marcus crushed the AUSTRALIA WIDE ASSIST Par comp field last Saturday when he crafted a brilliant round of 6 up to be much too good.

Often seen (and heard) warming up in the nets from 6.15am big Joe leaves nothing to chance and is 'rarin' to go come 7.00am tee off time. Enjoying a few extra shots on his handicap these days and with retirement from work having now happened there may well be more big paydays to come for this golf lover.

The quietly spoken Steve Thiele won "A" grade again with a 1 up from Tony Carter who put together a square with the card round to be runner up.

The tee blocks were well forward and with the dry conditions continuing players were getting value for money for their drives on quite a few holes. Booming hitting Dave Graham doesn't need any help in this department and he charged to "B" grade victory with a 4 up. Steve France was second with a typically solid 2 up.

It was a shootout in "C" grade where Barry Richardson, unfazed after his group was held up for four or five holes by green fee players, shot to victory with his 4 up as a countback relegated President Wickes to runner up status after his equally top round.

Next in were "Aussie Bob" McCormick with 3 up and Jeff Smith and Malcolm Blight with rock solid 2 ups. Carlos Taylor, Shaun Williams, Paul McCulloch and Tom Haig all beat the handicapper by one while Dean Woolford and Lawerance Crack shot square with the card rounds.

Nice to see Quent Maurice finally winning the Yabbie after hitting to within two and a half metres on the 4th and clinging on to win it. Dave Graham took out the Pro comp for the best back nine.

Coring of the greens, that 6 monthly necessary evil, takes place this week and it's a Stableford comp for us all this Saturday.
