

LADIES REPORT

Murray Bridge Golf Club Women's Report 5th February 2018

Tuesday's women golfers played a Stableford competition and with the warmer weather conditions the first teams hit the greens at 7.00am.

The early rise didn't deter Kathy Pfeiffer who won the competition with 35 points and also took home the Davery Voucher for her Nearest the Pin placement on the 11th hole.

First of the Grade winners was Lyn Pitcher with a 33 point card which included a successful 21 point back nine and Robyn Teasdale was next with 31 points.

Liz Llewellyn returned to the course after a lengthy holiday/hot weather break and after a scratchy start added a 20 point back nine to be the last of the placements and finish with 30 points.

Rumour has it that one of our more colourful players added a handful of Hh - airies to her card and still managed to complete the game with a smile, along with adding some post match humour to the coffee and cake session in the club house..

Saturday's Stableford winner was Sue Antel with 30 points.
