

## LADIES REPORT

### Murray Bridge Golf Club Women's Report 13<sup>th</sup> August

Barb Smyth played an outstanding round of golf to win the Women's Amcal Women's Stroke Competition on Tuesday coming in with a nett 73 card. As with most higher handicappers, it is hard to maintain consistency in their game, but Barb held her concentration for the 18 holes playing some outstanding shots to ultimately win the prize.

The Grade placements were Ellen Paech nett 79 and Lyn Pitcher nett 81. Lisa Hancock won NTP on the 6th hole and was a Ball sweep recipient with nett 81. Maureen Edwards was the final placement with nett 83. Affectionately known as "Dewdrop", Maureen returned from an annual trip to Pt Augusta Golf Week and while she didn't score a golfing prize was winner of the lucky number dip which will provide new accommodation next year.

The Club Championships will be played in match play format on Sunday 18th August.

Armani Marsters will verse Lisa Hancock for the Club Championship in a 36 hole round commencing at 8.30 am.

B Grade contenders are Robyn Teasdale and Mary Langsford who will play 27 holes starting at 9.10am.

C Grade will be Lyn Pitcher verse Fran Henschke for 18 holes with a 10.30 start.

We encourage all members to come and support the finalists on Sunday in what should be a great exhibition of golfing.
