

Sunday 20th January

LOCAL TEAM WINS MB GOLF CLUB VOLKSWAGEN SCRAMBLE

Hot golfing foursome Andrew Meddle, Mark Bolton, Mildy Raveane and Rob Walters proved too strong in winning the local Volkswagen Scramble played on Sunday 20th January on the Ritter Street circuit. A big field of 19 teams (76 players) coming from many parts of the state competed in the handicapped Ambrose format event with the victorious grouping now progressing to the regional final which is to be played in March.

Gifted with all the requirements for a successful Ambrose team - powerful long tee shots, pin point chipping, deadly putting and a reasonable handicap - this foursome teamed together superbly and could go even further in the series if they continue their excellent form. Apparently the shot of the round came from the high handicapped Raveane who showed he wasn't just in the team for his good looks by chipping in for eagle on one of the holes! Their nett score of 51.2 was a whisker too good for the runners up J.Vickers, J.Bryant, S.Gillies and G.Walmsley with their nett 52.25.

Best of luck chaps. Do our club, and yourselves, proud!
