GENERAL INFORMATION

The enjoyment of Golf depends a great deal on the cooperation, sportsmanship, consideration and courtesy extended by fellow competitors. It is essential that our personal behaviour contributes to the enjoyment of the game for the rest of the field. The standards of a Golf Club may be judged by the etiquette of its members.

SAFETY NOTICE

The Work Health and Safety Act requires that the Club must maintain a safe working environment for its staff, volunteers and contractors.

Procedures to prevent injury to ground staff, volunteers and contractors from golf balls are as follows:

Green Maintenance: When the flag has been removed the green is out of play and golfers are **NOT** to hit towards the green until the flag is replaced.

Fairway and Rough Maintenance: Golfers **MUST** wait for an approaching vehicle or mower to pass behind, or out of range before playing their shots. Alternatively golfers may be called on to play their shots by the operator.

Other Situations: In all other situations golfers **MUST** receive acknowledgement from ground staff, volunteers and contractors who are in range before playing a shot.

Failure to comply with the above procedures could result in the Club being prosecuted under the Work Health and Safety Act.

DRESS CODE

Applies all areas of clubhouse and on course

Members, guests and visitors are requested to present themselves in a neat, clean and tidy manner of dress, which at no time will provoke complaints, be offensive or embarrass other members.

Children must be under the strict supervision of their parents/guardians at all times.

Hats and thongs may be worn in the Sprig Bar.

STAFF AT ALL TIMES HAVE THE RIGHT TO REFUSE SERVICE TO ANY PERSON WHO DOES NOT COMPLY WITH THE ABOVE GUIDELINES.

Any complaints or issues must be directed to the Club Manager in writing.

Check local rules appearing on score card and on notice board.

Conditions of play for major competitions will be displayed in a prominent position for members to view.

COURSE ETIQUETTE

The player with the lowest handicap shall be the captain of the group and is responsible for the observance of the rules of golf, local rules and course etiquette.

All players are required to carry a bucket of sand to fill all divot holes. (Including Tee blocks)

Ball marks on greens are to be repaired before leaving to play the next hole.

Foot and club marks are to be raked out before leaving a bunker.

Players should refrain from walking up the face of bunkers, except when playing the ball.

Bunker rakes are to be replaced at the centre base of bunkers.

Care should be taken not to damage the edge of the hole or the green surface when removing and replacing the flagstick.

Call following players up **IMMEDIATELY**, when the ball is difficult to find.

Competition competitors have the "right of way" on the course at all times.

In taking practice swings players should avoid causing damage to the course (by removing divots) particularly on the tees.

In the course of their duty, Ground Staff have, the 'right of way' at all times.

Metal shoe spikes are barred on the course.

MURRAY BRIDGE GOLF CLUB SLOW PLAY

SLOW PLAY should not occur at our club. Club members can assist in the pace of play by ensuring that the following 10 points are adhered to.

1. The captain of the group (lowest handicapper) is responsible for the etiquette and pace of play but should be assisted by other group members.
2. Know the order of play. Golfers should be aware of the order of play on the tee, for subsequent shots and on the putting green. The furthest away from the pin, plays first. This is where most time is wasted.
3. Buggies should be parked at the exit from the green being played, in a direction towards the next tee.
4. On the green, the player whose ball is closest to the pin should tend the flag and indicate the order of play if there is doubt.
5. You should leave the green briskly and not mark cards on the side of the green.
6. Marking of your card. Your first priority after leaving the green is to recognize the order of play from the next tee. The marking of your card is the second priority. If the group in front is safely out of range, the 'Honour' should be on the tee ready to play a shot and not marking the card. This is done after the shot.
7. Keep your eye on the ball being played especially the person whose card you are marking. Watch it come to ground and fix a reference if in the rough.
8. Walk briskly to your ball in between shots.
9. When searching for a ball, you must call the group behind through as soon as they are ready to hit and the hole is clear in front, not after three minutes of looking for the ball.
10. If your group is getting behind in the playing of a hole we encourage you to dispense with the order of play by consensus and play "Ready Golf" (exception - Match-Play)

The best way to ensure slow play is kept to a minimum is to ensure you keep up with the group in front.

HOT WEATHER POLICY

Should, at 4.00pm on the previous day, the Bureau of Meteorology predict that Murray Bridge's forecast temperature will be **38 degrees or over** the following conditions will apply for any Club competition.

- **ALL CLUB COMPETITIONS:**

General 18 Hole Competitions.

To be played as 18 hole Stableford events and will commence only between 7:00am – 9:00am off the 1st Tee Block or off the 10th Tee Block at the direction and discretion of the starter.

9 Hole Twilight Comps

Twilight Comps (includes WAGS & Night Owls COMPS) shall **only** be played if the Bureau of Meteorology's current Murray Bridge temperature reading at 3pm reduces to below 38 degrees.

Pre-Arranged Corporate events – Open Events

Starting times to be commenced prior to 9am where possible and shall only be varied at the discretion of the Club Captain or Club Professional, thus allowing limited flexibility in reasonable extenuating circumstances.

(All corporate event administrators are to be made aware of this policy when negotiating bookings)

Banning of all Ride-On Carts/Bikes (after 1pm)

When the above Hot Weather Policy is activated **NO** motorised 'Ride-On' carts of any description shall be allowed on the course outside competition times or at any time after 1pm. (This will include Ground-Staff maintenance vehicles)

- Ensure you keep hydrated by drinking plenty of water;
- Wear appropriate clothing to cover yourself from UV rays (i.e. wide brimmed hat, long sleeve top, etc.)
- Always use an SPF 30+ sunscreen;
- Immediately inform your playing partners if you are experiencing any health problems.

The Murray Bridge Golf Club is committed to the Duty of Care of its members under the guidelines of Golf SA and Sport SA in general.

ON-LINE "SLICE" BOOKING SYSTEM WHEN HOT WEATHER POLICY ACTIVATED

All prior 'Slice' bookings between 7am to 8:59am will remain current and all bookings outside those times will automatically be cancelled. (Definitely no competition past 8:59am)

Players already booked inside the 7am to 8:59am tee times who are not intending to play due to the excess heat are requested to please cancel as early as possible to allow others your tee time.

Your cooperation in this respect will be greatly appreciated by the Pro Shop Staff.

Remember no on-line bookings can be made or cancelled after midnight on the eve of the competition.

In the unlikely event of there being insufficient 'Slice' tee spots available between 7am to 8:59am for your normal groups, manual coordination of spaces will be made available in the Pro Shop off the 10th tee block at the discretion & direction of the starter.

STORM / LIGHTNING POLICY
