

Saturday - 19th June

IF GOLF IS A WINTER SPORT THEN MURRAY BRIDGE IS THE PLACE TO BE!!

Is there a pot of gold under that 1st green??

Photo taken last Saturday during the WEST END'S "Final Hurrah" Par competition. Many thanks to the "West End Brewery" for their continued sponsorship over many years.

Winner of the Sponsors Daily Trophy was Mitchell Lienert with a score of 2up. Mitch is on a roll having also won last Wednesday's Stableford comp with 39 pts. Not only that, as he walked out the door Friday evening he cheekily predicted he was due for another good one. Love the confidence!

Best score of the day was a regular visitor from Echunga Neville Jordan 3up, but unfortunately visitors can't receive the Sponsored trophy of the day. Rules are rules, so he takes out the Runner-up prize.

Runner-up in A Grade to Mitch Lienert was Luke Williams also on 2 up but done on a count-back.

B Grade winner was another visitor this time from McLaren Vale Graham Vivian 2up with runner-up Raphael "Feathers" Fetherstonhaugh who finished square.

C Grade winner was Barry Sparrow from Echunga 1up and Ken Graetz runner up with Square, on a count back.

Further back in the field with scores of Square were Rob Magor, Steve Angove, Luke Woods, Craig Eichler (Echunga) & Vivian Smith (Echunga)

What is it with these Visitors taking our so many prizes? Reckon it must be our dry course compared to their home club that gets them going. No problems – always welcome.

NTP's on 2nd Stephen Gow, 4th Ray Feathers, 6th Jeff Morgan, 11th Paul Harding, 14th Michael Haslett & 17th Ken Graetz. The Yabby to Ray Feathers, Pro Comp to Mitch Lienert and Mark Bolton had another Eagle on the 12th.

This coming weekend is the annual Capt V Capt Stableford event.
