

VETERANS
Handicap Match Play Championship
Conditions of play
Revised 6/04/2022

1. Applies to all players 60 years of age on or before their 1st Qualifying Round.
2. Event played in conjunction with the Club Championship rounds.
3. All veterans are requested to place a “**V**” on their score cards.
4. As opposed to the club (stroke) championship, qualification for this competition is based on **NETT** scores.
5. The top 8 **NETT** Veteran qualifiers will only be decided **after** the Men’s Championship Gross qualifying positions are confirmed for all grades. (Veterans cannot elect to go straight into the Veterans comp.)
6. Any ties for qualifying positions will be decided by “Nett” count back system, i.e. last qualifying round of 18 holes, 9 holes, 6 holes, 3 holes, hole by hole.
7. The top 8 veteran qualifiers will proceed to play Handicap Match-Play. The Quarter finals Semi-finals & the Final (all 18 Holes) to be in conjunction with the Club Championship Match-Play series.
8. There will be no reserves nominated to fill vacancies in the Veteran Match-Play series once the fields have been confirmed and set by Match Committee. Any subsequent vacancy, for whatever reason, will be classed as a forfeit.
9. **Handicaps** - For the purpose of Nett Qualification scores the Daily Handicap held by a player on the first qualifying round will remain the same for the second and third qualifying rounds and any subsequent Match-Play. (This will not apply however to the daily Nett voucher competitions.)
10. **Stroke Index** - During Match-Play series players will use the men’s Stroke index (as per the card) to determine which holes strokes are to be given in the Handicap Match-Play. The lower handicap to start on scratch and the opponent to be adjusted accordingly. I.E. if a player gets two strokes he will get them on (Stroke index 1 = Hole 13, and stroke index 2 = Hole 3)

In the event of continuous play beyond the 18th hole (for the purpose of a result) strokes given will also apply on the same holes as the initial 18 holes.
11. **Any player that cannot or does not wish to participate in the Championship Match play series, MUST notify the Match Committee (thru Golf Shop) prior to or at the time of handing in their last card.**
12. The Match Committee reserves the right to decide on any condition that arises which is not covered above.
