## "DAHLITZ GRINDS OUT WIN"

Corey Dahlitz (pictured below) grafted out a comfortable victory in last Saturday's, you guessed it, "*COREY DAHLITZ PLUMBING*" Stableford competition.

Keen to retain his sponsorship prize money for himself he eked out a personally gratifying 39 points which was more than enough to snatch victory in the breezy conditions and on the slick greens.

With a playing demeanour just like when he's performing another quality plumbing job for a customer – "cool, calm and collected" - Dahlitz is not very often off course with his shots and is regarded as one of the more consistent golfers in the club. A popular win indeed!

Paul Harding , Shane Williss and "Fiery" Freddy Carter were the respective grade winners on the day.

Keith Durham won the Pro comp for best back nine with a brilliant 22 point total whilst Jake McIntosh took out the Yabby with a sharpshooting iron the 11th hole
