PLENTY TO CROW ABOUT FOR SMITH"

One of the more entertaining club members, Jeff Smith (pictured), had a day that his playing partners dreaded last Saturday when he won the comp with a massive 42 Stableford points. Not usually short of a word or of dishing out free advice to others Smith gave no-one else a chance in finding his best form and taking advantage of his current generous 29 handicap. Admitting he had plenty of luck along the way his 21 point back nine was also good enough to win him the day's coveted Pro comp to give him a really successful day out. Well done Sir.

In other news richly talented "A" grader Aaron Zrim appears as though he is warming up for another tilt at the club championships, held in May this year, by taking out his division with a brilliant 39 points. Ever consistent Dr. Tom Haig had everyone's measure in "B" grade with his 37 points being enough while visiting golfer Sam Smith had a big win in the "C" grade.

With the course recovering beautifully from some recent watering issues there is the chance for all golfers to enjoy a couple of Stableford comps over the upcoming Easter long weekend.

Winner of Day- - Jeff Smith
