

**WOMEN'S REPORT** week commencing: Wed 20th

Due to coring of the greens, the womens golf were very adaptable and moved their Tuesday competition to Wednesday where a 13 size field played a Par round on 20th March.

Winner of the day, on a three way countback was Marg Bessen who came in square. Unlucky not to win were Heather Fromm and Fran Henschke who carded a square on their cards.

Next Best on another three way countback was Barb Smyth from Coral Smallbon and Ellen Paech all completing their round of golf with a score of -3.

Out on the course the funniest shot seen in a long time, was played by Robyn Teasdale on the 15th hole. Robyn's third shot landed amongst the trees with a clear shot to the green. Alas, disaster struck when the chip shot hit the rubbish bin on the 16th tee block area. The ball on impact went through a gap in the plastic and had to be retrieved from the rubbish bin. Not quite a "hole in one" but more like a "hole in the bin".

Maureen Edwards, back from an overseas beach vacation was down on form, Wendy Baker back from a Pink Concert had a roller coaster round, and while Barb Smyth started well and drifted along the way.

A highlight was a brilliant par on the 15th hole for Karyne Scheer, who holed in 4 shots to gain a Par win. Ellen Paech was 1 Up after nine holes, but never went on to better that score while Fran Henschke played a very even game to square. It was pleasing to see Heather Fromm return to golf after a busy summer Jervois Bowling season and square her card.

Ady Wright and Biddy Freeman hit wrong balls and confusion continued when Ady thought it was a Stableford round when she hit of the first tee block. Coral Smallborn checked out the water hazard on the 16th and put it down to lack of concentration after a week of birthday celebrations. Suzanne Antel is using an apparatus for Senior Golfers that allows her ball to be tee-ed up and saves bending.

Saturday 16/3 saw Kathy Pfeiffer take line honours in first place with a score of +1, Marg Bessen -1, and Ady Wright -3 to head the leaderboard in the Par round.

Captain Lisa Hancock played in the SA Senior Order of Merit at Tea Tree Gully on Monday 18th March and later announced the first Pennant Match for the local women golfers to be played at Murray Bridge Golf Course on Monday 25/3. The team named is Lisa Hancock, Biddy Freeman, Wendy Baker, Robyn Teasdale and Kathy Pfeiffer.

The women golfers would like to thank the ground staff and volunteers for the presentation of a well manicured. and neat course; a credit to this picturesque facility.
