"ELEVEN YEAR OLD WINS SATURDAY COMPETITION!"

Well, this isn't something that happens every week - an 11 year old winning the club's main competition. Ginger haired youngster Levi Ashton (pictured showed his untapped potential by reeling off a personal best 81 off the stick on Easter Saturday to give him a whopping 41 stableford points and a narrow win over fellow "B" grader Doc Altmann.

Having only been a member for less than a year the diminutive junior's handicap continues to drop - 18 on Saturday and no doubt one less at his next round. He has also quickly caught on with the usual winner's lingo of having "left quite a few shots out there!" in claiming he should have had at least 45 points after missing short putts, easy chips etc!

Congratulations Levi - let's see how far you can go.

In "A" grade Michael Pitcher continued his red hot form by finishing the winner with 38 points while, as mentioned, Doc Martin Altmann had a blinder in taking out the "B" grade with 40 points. Trevor "Tina" Turner was successful in "C" grade showing his class with 37.
