

"MCINTOSH STUNS WITH FREAKISH BACK NINE"

Emerging "A" grader Jake McIntosh (pictured) won Saturday's Stroke competition on a countback from superstar club champion Aaron Zrim with both players recording a nett 66. Jake's extraordinary back nine of a one under the card 33 off his twelve handicap gave him a nett 27.0 and a countback win over anyone daring to challenge him! Stunning golf and there will be more great rounds ahead for this quietly spoken and very modest player.

Aaron Zrim had a great round to win the "A" grade which included another eagle on the par five 12th hole where he hit driver then five iron to about ten feet before draining the putt. "A" grade runner up Keith Durham also scored an eagle but his was on the short par four 15th where he drove to the edge of the green before chipping in!

Golf shop Professional Steve Wilson was beavering away working hard when he looked up and noticed a visitor playing in the competition on the first tee about to play his shot from the yellow social tee. Quickly grabbing the microphone to alert the player to tee off fifteen metres back from the blue competition tee he was promptly alerted by other players in the group that the visitor was in fact playing his second shot after dribbling his drive not very far!
Oooops.

It was the "A" graders snapping up all of the days prizes but "C" grader Neil "Dog" Rothe stopped the clean sweep by winning the Yabby on the 11th hole with a lovely (flukey?) iron off the tee.

Winner of the day – Jake McIntosh
